The A-map, complete with numbered fields and size in hectares

*1: The ad-blimp. You can actually get up on that.

*2: Typical danish-looking pig-farm

*3: Your main farm with silo's, silage-pits, one small and one large barn

*4: rainmill, sell barley, wheat and canola here

*5: Farmshop; buy and sell equipment here.

*6: A small, closed down farm, modelled like my granddads farm back in the 80's

*7: Swedish inspired farm.

*8: dairy. 'Them I st' is the dairy my dad delivers his milk to. I takes some damn good cheese there.

*9: Train-station. Sell barley, wheat, canola, corn, straw and hay-bales and logs here (see a map of the transaction below)

*10: A very small american inspired farm. It have a tower-silo for grass and chaff

*11: All farmers need to relax sometimes, so here is the Tractor Pulling Arena
